Re: *American Oversight v. U.S. Department of Commerce, et al.*, 18-cv-00534-KBJ
(D.D.C.): Treasury November 30 Production

Counsel:

This letter describes the November 30, 2018 production from the U.S. Department of the Treasury (Treasury) in the above-referenced Freedom of Information Act litigation. Pursuant to the Court's October 1, 2018 Order, Treasury has reviewed and processed the first 500 pages of Secretary Steven Mnuchin's calendar. The production is numbered UST 000241 - 740, and covers the period of February 14, 2017 (the date of Secretary Mnuchin's first calendar entry at Treasury) through June 1, 2017.

Portions of these calendar entries have been withheld pursuant to FOIA Exemptions 5, 6, and 7E. Certain other calendar entries involving other Executive Branch agencies have been sent to those agencies for consultation, and entries involving officials in the Executive Office of the President have been sent to the Office of White Counsel for consultation. Materials sent for consultation will be produced on a rolling basis, with applicable redactions.

If you have any questions concerning this production or a related matter, please contact Laura Hunt, U.S. Department of Justice, at (202) 616-8207 or laura.a.hunt@usdoj.gov.

Sincerely,

Ryan Law
Office of Privacy, Transparency, and Records

* For Secretary Mnuchin to join us as our closing “fireside chat” on Friday, February 24 at 11:35am for 30-35 minutes. Our format is a moderated discussion with Q & A from our CEO membership. All sessions are off the record and closed press (all moderators who are with the press agree to abide by our same Chatham House rules). We have tentatively asked Sara Eisen of CNBC to conduct the moderated chat for 20 minutes followed by audience Q and A for 10-15 minutes (depending upon the Secretary’s schedule). Please let us know if that is ok with the Secretary. I can get your team a list of topics/questions and the Secretary should feel free to let me know if there is anything he would like to be asked.

* Would you mind sending us the Secretary’s official bio and photo?

We are honored to him join us! Let me me know if you have further questions!

Warmest regards,

Marlene

Subject: Sec Mnuchin May 1st invite

(b) (6) - It was good chatting with you earlier in the week. Per our conversation, attached is a letter inviting Sec Mnuchin to speak at our spring fly-in on May 1st. We would be honored to have him as our guest. Close to 1,000 community bankers from across the country will be in attendance.

If you could help pass this invitation along to the appropriate people it would be greatly appreciated.

Please let me know if you have questions. Thank you.

Summit

Hi (b) (6),

Thanks for your email. By way of introduction, I should say that I am a long time, close friend of one of your Dad's former partners, Mike Chappell. We are both from Mississippi and go back decades. Nice to meet you over email.

Appreciate the interest in our event. We had a great summit last year, and this year we would benefit greatly by having Sec Mnuchin join us.

We would ask that Sec Mnuchin kick off our summit at 9:00am with a keynote address. We will be flexible based on his schedule throughout the day if that time does not work. For planning purposes, I would plan on an hour in the building from arrival to departure.

We can style it in whichever manner he prefers, a speech, a moderated discussion, a combination, q&a, etc. We want to give him the platform to address the audience of international investors and state reps from across the country looking to attract foreign investors

in infrastructure, P3's, and FDI.

Right now, we are pending a decision from VP Pence to do an address at noon. No members of Congress currently attending. Gov Ducey of AZ confirmed, and we will confirm an additional 2 governors by next week.

Total attendance will be ~150

Let me know if we can provide any additional info and appreciate your assistance.

Best,

Rob

Subject: Secretary Mnuchin's Invitation to Invest in America! Summit

Hi Rob,

I am writing in regards to Secretary Mnuchin's invitation to be the keynote speaker at the Invest in America! Summit on May 18th. A decision should be coming soon as to whether the Secretary can attend or not. Before that happens, we will need a little more information about the event.

-What time would you have the Secretary arrive, speak and depart?
-Do you have a program flow or sequence of event that I could take a look at?
-How many attendees will there be? Will there be any other Administration officials or members of Congress in attendance?

Some more questions may come as time goes on. Let me know if you have any questions.

Thank you,

Subject: Larry Kudlow Radio Show tomorrow

Mr. Secretary,

Larry Kudlow called me to ask if you could join him on his radio show tomorrow? It would be about 12-15 minutes at 10:30 am EDT to talk tax reform plan. You would just need to be next to a landline to dial in.

The show is live from 10:00 am to 1:00 pm EDT, so they can be flexible if 10:30 am EDT doesn't work.

Larry thinks the timing to hear from you is critical as you are the best in delivering the pro growth message. He also wants to fight back against the growing view on Wall Street that tax reform can't get done this year. He thinks your testimony was very reassuring to many that the administration is focused in the right direction on tax reform, regulation relief etc.

"The Larry Kudlow Show" is nationally-syndicated in all major markets (179 stations). He has a very high caliber audience.

Let me know your thoughts. **(b) (5)**

Subject: Scheduling May Public Financial Literacy and Education
Commission Meeting + Operation HOPE Global Forum follow up

Hi (b)(6) and Mary Ellen,
I understand that there is still not yet in place a scheduling team for
the Secretary, so I wanted to flag that we are hoping to hold the next
public meeting of the Financial Literacy and Education Commission
here at Treasury (Cash Room) on May 24, from 9-11:30 am. As you
may recall, we are required to hold meetings every four months
(approximately), and the Secretary is the Chair of the Commission.
Could you let me and (b)(6) know if we can hold that time –
even from 9:00-9:30 is fine.

Additionally, (b)(6), if there is a need for support on items relating to
Operation Hope, feel free to send them our way.

Thanks!

Good afternoon! We understand that STM has agreed to receive a classified briefing from one of the IC's National Intelligence Managers on a particular country's current activities. I can provide Mary Ellen and (b) (6) with additional detail on TSDN since it looks like they have email accounts on that system.

(b) (6), cc'd, is the scheduling POC for the briefer and can work with the FO on identifying a briefing time.

Thanks!

Re: *American Oversight v. U.S. Department of Commerce, et al.*, 18-cv-00534-KBJ
(D.D.C.): Treasury March 7, 2019 Production

Counsel:

This letter describes the March 7, 2019 production from the U.S. Department of the Treasury (Treasury) in the above-referenced Freedom of Information Act litigation. Pursuant to the Court's October 1, 2018 Order, Treasury has reviewed and processed an additional 541 pages of Secretary Steven Mnuchin's calendar. The production is numbered UST 000741 - 1281 and covers the period of June 1, 2017 through September 26, 2017.

Portions of these calendar entries have been withheld pursuant to FOIA Exemptions 5, 6, and 7E. Certain other calendar entries involving other Executive Branch agencies have been sent to those agencies for consultation, and entries involving officials in the Executive Office of the President have been sent to the Office of White Counsel for consultation. Materials sent for consultation will be produced on a rolling basis, with applicable redactions.

If you have any questions concerning this production or a related matter, please contact Laura Hunt, U.S. Department of Justice, at (202) 616-8207 or laura.a.hunt@usdoj.gov.

Sincerely,

Ryan Law
Office of Privacy, Transparency, and Records

Subject: Speaking Request - Leader McCarthy - Washington, DC

Alden -

Great talking with you! Leader McCarthy left a message for the Secretary earlier this week, I wanted to follow up on the details just so you had them.

The Leader is hosting a group of his supporters in Washington, DC for

a fulfillment retreat June 4 - June 6. We expect about 75 guests to attend.

He'd like to ask Secretary Mnuchin to participate in a 1 hour discussion on tax reform starting at 12:00 PM on Tuesday, June 6. There is no fundraising associated with this panel.

Our panel discussions will be held from 9:00 AM - 1:00 PM on Monday, June 5 and Tuesday, June 6 at the Willard Intercontinental. Our schedule is flexible should the above not work or you would prefer a different time during those days.

Thank you! Happy to discuss in further detail or answer any questions.

Best,

Lauren

Subject: follow up: David Rubenstein / Brookings Introduction

Dear Eli,

Thanks again for your quick response earlier this month, and I hope this email finds you well. I wanted to follow up on the below note regarding Secretary Mnuchin addressing our Board of Trustees and International Advisory Council this June. I have attached here the formal invitation from our President, Strobe Talbott, as well as our full

Board and International Advisory Council rosters. The formal invitation was mailed to the Secretary's attention, too. Should the Secretary's schedule allow, we would be particularly honored if he would consider a visit the afternoon of Thursday, June 8. We would be pleased to meet at the Department of the Treasury, should that be most convenient for the Secretary's schedule.

Please do not hesitate to contact me should you or another colleague like any additional information. I am also available at your convenience to discuss this over the phone should you prefer.

Again, on behalf of David Rubenstein and John Thornton, co-chairs of the Brookings Board, I express our gratitude in advance and look forward to hearing from you.

Warm regards,
Kim Churches

Subject: DC trip

Eli,

It was fantastic to connect with you this afternoon. I look forward to continuing the conversation in person in a couple weeks!

As promised, attached is the invitation from the State Department for my talk on the 11th and a brief recap/overview of our efforts in the Middle East to date. We've already reached out to Jared, but would greatly appreciate any additional recommendations on who we should connect with at the White House.

In addition, we would love to stop by the Treasury to see you and the Secretary, so please let us know what times work on Monday, July 10th or Tuesday, July 11th.

I look forward to meeting in person.

My best,
Ben

Time All Day
Subject HOLD - Senate Republican Policy Luncheon - TBC at a later date
Location Mansfield Room, U.S. Capitol
Show Time As Free
Tuesday, July 11.

The lunch technically starts at 12:30 when the buffet opens, but it's a slow roll up to 1:00. Mansfield room in the Capitol.

Official program starts at 1:00.

For guests, typically Barrasso will turn to them at around 1:10.

The Secretary is welcome to take 5-10 on whatever topic he chooses and then some q and a.

I can have him out by 1:40. Or whatever his schedule will allow. He's welcome to eat of course beginning at 12:30.

Lunch is well attended with almost every GOP Senator, is closed to press and just a couple of staff. The VPOTUS attends.

Let me know if you have any further questions.

U.S. Senator John Barrasso
Chairman, Senate Republican Policy Committee

Craig –

I hope this finds you well and that you were able to enjoy the Fourth of July holiday this week.

I'm writing to request a meeting between the NAMIC Board of Directors and Secretary Mnuchin regarding the Covered Agreement. They will be in Washington, D.C. on July 17 and 18 for their quarterly Board meeting and will be spending time with both Senate Banking Committee members as well as House Leadership and Financial Services Committee members.

Subject: Montana High Tech Jobs Summit

Dear Drew,

As you may have heard, I am co-hosting The Montana High Tech Jobs Summit that will be held in Missoula, Montana on October 8-9, 2017.

I would like to speak with Secretary Mnuchin at his earliest convenience to be a featured speaker. I believe the Secretary would provide great insight to the lineup as a keynote speaker.

I look forward to speaking with the Secretary.

Thanks,

Steve

Eli,

We hope this note finds you well.

Treasury has been a steadfast partner the last 16 years, and the Secretary would be honored if Secretary Mnuchin might join him for our annual September 11 Observance here at the Pentagon on Monday morning. We would request that the Secretary arrive between 0900-0915, and we will advise on the drop off location for the ceremony.

Please let me know if you have any questions, and if the Secretary will be available to join us.

All our best,

Subject Republican Members Meeting of the Senate Budget Committee
Location Room S-230, U.S. Capitol Bldg.
Show Time As Busy
Our office would like Secretary Mnuchin to join a republican members meeting of the Senate Budget Committee next week. Would Tuesday,

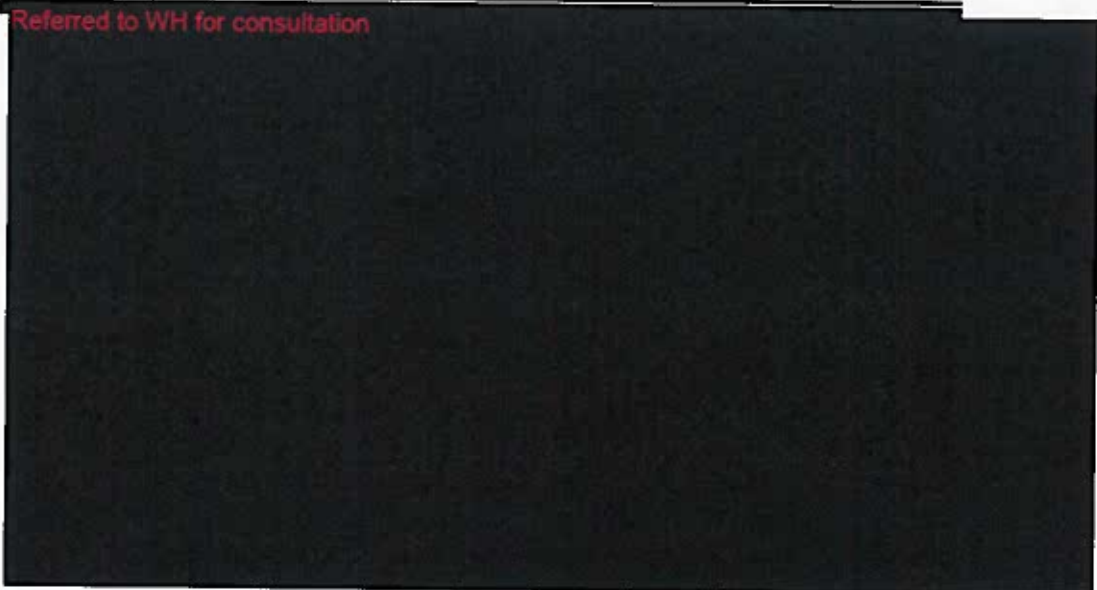

September 12th at 2:30 pm in our office, S-230 by chance work on your end? The meeting would have Senator McConnell, Secretary Mnuchin, Director Cohn, Senator Hatch, Chairman Brady and republican members of the Budget Committee. I haven't reached out to everyone yet, but wanted to see if that time would work for the Secretary. Let me know if you have any questions.

Dear Gary and Steven,

On Tuesday, September 12, Erskine Bowles and I will co-host a dinner in Washington with members of the Aspen Institute's newly formed Economic Strategy Group, which Erskine and I co-chair. The group consists of roughly 60 former cabinet secretaries, governors, other senior government leaders, Fortune 100 CEOs, top economists, and leaders from civil society (see attached). Our goal is to gather, in a non-partisan spirit, a diverse range of respected leaders and thinkers to examine pressing economic issues, exchange new and out-of-the-box ideas, and ultimately to socialize viable policy solutions in Washington. The dinner on September 12 will be an informal kick-off of our inaugural Economic Strategy Group meeting, held the following two days on the Eastern Shore of Maryland.

Erskine and I would be honored if you could attend this dinner and

join us in a conversation about some of the key challenges and opportunities you see for promoting widespread economic growth in the United States. We ask you both to participate thinking that, given the high caliber of attendees and the nature of our discussion, the event may be of interest to each of you; however, we certainly understand if only one of you is available. We believe this group would benefit tremendously from hearing your views as we prepare for our two-day meeting. My team would be happy to send your staff the questions in advance so that you have ample time to prepare. In addition, Erskine and I will moderate a second panel discussion during the dinner with 3-4 key members of the House and Senate leadership.

I look forward to hearing from you, and hope you can join us on September 12. Please feel free to call me directly if you have any questions.

All the best,

Hank

Subject: Bill and Nancy

Hey, hope your summer has been good, and that the tax package is coming together for you guys.

Bill has to be in New York for a Bloomberg thing on Tuesday, September 26th and was thinking of having Nancy join him on the trip. They want to know if Steven and Louise would like to join them for dinner on either the evening of Monday the 25th or Tuesday the 26th in either NY or DC?

Let me know if it's possible.

Richard

Re: *American Oversight v. U.S. Department of Commerce, et al.*, 18-cv-00534-KBJ
(D.D.C.): Treasury May 7, 2019 Production

Counsel:

This letter describes the May 7, 2019 production from the U.S. Department of the Treasury (Treasury) in the above-referenced Freedom of Information Act litigation. Pursuant to the Court's October 1, 2018 Order, Treasury has reviewed and processed an additional 514 pages of Secretary Steven Mnuchin's calendar. The production is numbered UST 001282 - 1795 and covers the period of September 26, 2017 through January 22, 2018.

Portions of these calendar entries have been withheld pursuant to FOIA Exemptions 5, 6, and 7E. Certain other calendar entries involving other Executive Branch agencies have been sent to those agencies for consultation, and entries involving officials in the Executive Office of the President have been sent to the Office of White House Counsel for consultation. Materials sent for consultation will be produced on a rolling basis, with applicable redactions.

If you have any questions concerning this production or a related matter, please contact Laura Hunt, U.S. Department of Justice, at (202) 616-8207 or laura.a.hunt@usdoj.gov.

Sincerely,

Ryan Law

Subject: Follow up information requested

Kody and Carole,

Thank you for the meeting last week to discuss our audit inquiry meetings. As mentioned in the meeting, I request a brief meeting with the Secretary of the Department of the Treasury (Secretary) to enable us to complete the following inquiries as required by the professional auditing standards that our contract with the Department of the Treasury Office of Inspector General requires us to follow.

- General inquiries
- What are the significant changes in Treasury operations in 2017?
- What is your action plan and timing for the investments in Fannie Mae and Freddie Mac?
- Fraud related inquiries
- How do you and your management team communicate acceptable business practices and appropriate ethical behavior to employees?
- Are there particular locations or business segments for which a risk of fraud may be more likely to exist?
- Are you aware of any instances of actual, suspected, or alleged fraud related to financial reporting or misappropriation of assets?
- Any corruption, misconduct, unethical behavior illegal acts, and non-compliance with laws and regulation related to financial reporting or misappropriation of assets

For the fraud related inquiries, I provide the following fraud risks that we as your auditors need to consider in designing our audit approach:

- Intentional misstatement of the financial statements
- Misappropriation of assets reported on the financial statements

I recognize that the Secretary is very busy and intend to keep the meeting brief and will limit the KPMG attendees to myself. In addition, the Department of the Treasury Office of Inspector General will also need to include a representative(s). I am happy to complete the meeting in person or by phone if easier.

This meeting is common across our financial statement audits and a meeting we should have been consistently performing at the Department of the Treasury in the past. We meet with other Secretary's at the other federal agencies we audit, such as Department of Commerce, Department of the Interior, Department of Energy, and others. We also meet with the Secretary's equivalent or CEOs of the public companies that we audit.

As requested, I provide the following excerpts from the American Institute of Certified Public auditing standards that highlight this meeting, where those charged with government represents the Secretary:

Excerpt from AICPA AU-C 240:

Obtaining an Understanding of Oversight Exercised by Those Charged With Governance

.A21 Those charged with governance of an entity oversee the entity's systems for monitoring risk, financial control, and compliance with the law. In some circumstances, governance practices are well developed, and those charged with governance play an active role in oversight of the entity's assessment of the risks of fraud and of the relevant internal control. Because the responsibilities of those charged with

governance and management may vary by entity, it is important that the auditor understands the respective responsibilities of those charged with governance and management to enable the auditor to obtain an understanding of the oversight exercised by the appropriate individuals.

.A22 An understanding of the oversight exercised by those charged with governance may provide insights regarding the susceptibility of the entity to management fraud, the adequacy of internal control over risks of fraud, and the competency and integrity of management. The auditor may obtain this understanding in a number of ways, such as by attending meetings during which such discussions take place, reading the minutes from such meetings, or making inquiries of those charged with governance.

Please let me know if you need any additional information. I appreciate your help in coordinating such meeting.

Thank you.

October

We have reached out to Chair Yellen, Governor Powell and Chairman Gruenberg to identify available dates. (these are critical participants) Due to the annual IMF/WB and IMFC meetings these senior officials are not available in early October. All three leaders are available on Tuesday, October 17th from 4:00-5:15pm. Would that work for STM?

OLA has been asked to facilitate a NJ Member SALT conference call, similar to the NY delegation call that occurred last night. We are hoping to have this call tonight, before details are released tomorrow.

The call would have to occur after 5:00 PM. Do your bosses have any open time this evening?
If so, please send me when they are available and I will try to find a time that works for everyone.

I know it will be a tough pull to get everyone on a call with such short notice. I appreciate your help with this.

Feel free to give me a call if you have questions, (b) (6).

Thanks!
